POSITION ANNOUNCEMENT

Position: Director of Curriculum and Technology Integration

Location: District Office

Contract: 240 Days

Reports to: Deputy Superintendent

Qualifications: The applicant must have a valid Mississippi Administrative Certification (486, 488). Demonstrate the ability to communicate effectively with students, parents and community members. Provide leadership in the development of a high quality technology-rich instructional program. Demonstrate the ability to utilize tools to support collaborative study of instruction and analysis of various data to inform teaching and learning improvement efforts. A minimum of three (3) years of administrative experience is required.

Hired applicant will begin work July 1, 2023

Job Goal: To provide leadership developing, implementing, coordinating, and evaluating the district's curriculum program with emphasis on integration of instructional technology.

Job Duties and Responsibilities include but are not limited to: Assist in formulation of philosophy, goals and objectives for the instructional programs that are consistent with the district's goal for technology integration. Provides principals and teacher leaders in aligning the PreK-12 curriculum with the state frameworks to ensure content and context alignment and curriculum coordination and articulation. Collaborates with teachers to support and encourage the integration of technology to deliver curricula through various instructional methods. Maintains necessary documentation of data analyses and program decisions for improvement. Guides development, implementation, and evaluation of all professional development.
